- Rule 1.121(d) applies to ALL drawing changes
 - Amendments to drawings
 - Formal drawings
 - New drawings
- Proposed drawing correction process is eliminated.
- Drawing changes are simply one section of an amendment, similar to changes to the specification, claims, or abstract.

21

§ 1.121 Manner of making amendments in applications.

- (d) Drawings. One or more application drawings shall be amended in the following manner: Any changes to an application drawing must be in compliance with § 1.84 and must be submitted on a replacement sheet of drawings which shall be an attachment to the amendment document and, in the top margin, labeled "Replacement Sheet." Any replacement sheet of drawings shall include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is amended. Any new sheet of drawings containing an additional figure must be labeled in the top margin as "New Sheet." All changes to the drawings shall be explained, in detail, in either the drawing amendment or remarks section of the amendment paper.
- (1) A marked-up copy of any amended drawing figure, including annotations indicating the changes made, may be included. The marked-up copy must be clearly labeled as "Annotated Sheet" and must be presented in the amendment or remarks section that explains the change to the drawings.
- (2) A marked-up copy of any amended drawing figure, including annotations indicating the changes made, must be provided when required by the examiner.

20

Rule 1.121(d) Requirements

- Any replacement drawing sheet which has amended figures must include all the figures appearing on the previous version of the sheet, unless one sheet of drawings was replaced by two
- The replacement drawing figure must not be labeled "amended"
- Replacement, new, and annotated sheets may be found as attachments to the amendment, or as attachments to a separate paper only addressing the drawing changes

If one sheet of drawings was replaced by two sheets, the original sheet of drawings (e.g., sheet 2/2) would be labeled "Replacement" and have a new sheet number 2/3, and the new sheet (e.g., sheet 3) would be labeled "new" and have the sheet number 3/3. See 37 CFR 1.84(t) for information about numbering sheets of drawings. If one sheet is replaced by two or more sheets other than at the end of the end of the sequence of drawing sheets, the remaining sheets of drawings should be renumbered.

Sheet Labels

- All drawing sheets submitted after filing must be labeled in the top margin
 - Changed sheets must be labeled "Replacement Sheet"
 - New sheets must be labeled "New Sheet".
 - Sheets with marked-up copies of the figures must be labeled "Annotated Sheet"
 - Any label including the word "annotated" is okay
